

International Olympic Committee (IOC) has, for the first time, allowed professional boxers to participate in the Olympic Games. At Paris 2024, professional-built events were overseen by the IOC's Paris Boxing Unit, and boxers with professional experience competed alongside amateurs. Several earned medals and made our country proud.

To build on this momentum and ensure stronger Indian representation at future Olympic Games Los Angeles 2028 Indian Amateur Boxing Federation (IABF) will be conducting the Fight Night Fiesta professional-level.

The FIGHT NINGHT FIESTA will provide a platform for Indian boxers to develop competitive records while still remaining eligible for Olympic qualification.
